## Drink

*Autumn 2024*

Welcome to our drinks menu lovingly put together by our restaurant team. We hope you find something delicious, interesting and maybe something new to enjoy.

This list celebrates all that Australia and the wider world has to offer, sourcing from small environmentally conscious producers. Our aim is to support growers and makers who respect the land on which they live and work.

We have created our own unique cocktails alongside an ever changing seasonal offering, which focuses on minimising waste whilst using foraged and seasonal ingredients.

Sit back, relax and let us take you on a journey. Cheers!
